Get ready to join us: six things you need to do

Before you join us at the International College and start your exciting learning journey in Sheffield, there are six things you need to do first.

1. Reserve your room
Reserve your accommodation online via the StarRez portal. Once you receive your residence contract (usic.accommodation@sheffield.ac.uk), please accept the terms and conditions, set up your preferred payment method and pay your deposit to secure your room for when you arrive in Sheffield.

2. Apply for your visa
To study in the UK, non-European Economic Area (EEA) nationals require a visa. The most common study visas are Tier 4 and the Short-term student visas. Our Admissions Centre will advise and issue the relevant documents based on the type of visa you will be applying for:
- Tier 4 visa
For a Tier 4 visa you will need a Confirmation of Acceptance of Studies (CAS) number which will be issued to you by our Admissions Centre. You can only apply for your Tier 4 visa once you have received your CAS number and the application must be made no more than three months before your course start date.

Step 1: Our Admissions Centre will issue a CAS preview by email usually within three months of the course start date, provided you:
- Have met all academic, English language and other conditions in your offer letter
- Have completed, signed and returned your Acceptance and Intake Form to the Admissions Centre
- Are up-to-date with your payments as stated in your offer letter and payment plan

Step 2: Carefully check all the details on the CAS preview and return the signed CAS Declaration document. Once we have received your CAS Declaration, we will issue you with your CAS statement that will include your CAS number.

Step 3: Before you submit your Tier 4 visa application make sure you understand and meet all the requirements to avoid a visa refusal.

Before you apply, make sure you have:
- sufficient funds in an acceptable account maintained for at least 28 consecutive days
- a CAS number
- you have足够 funds in an acceptable account
- you have paid the Immigration Health Surcharge for NHS health care treatment
- you have a 30 day entry vignette in your passport (valid for the period indicated) and a UK Visa and Immigration (UKVI) Decision letter outlining details of your Biometric Residence Permit (BRP). See page 13 for information on how to collect this once you arrive in the UK.

You can read the full visa guidance at: go.gov.uk/TB-test-visa/overview for more information.

About the Biometric Residence Permit
If your Tier 4 visa application is successful, you will have a 30 day entry vignette in your passport (entitling you to enter the UK within the 30 day period indicated) and a UK Visa and Immigration (UKVI) Decision letter outlining details of your Biometric Residence Permit (BRP). See page 13 for information on how to collect this once you arrive in the UK.

You can read the full visa guidance at: go.gov.uk/browse/visas-immigration/student-visas

3. Book your flights
Once you’ve received your visa, it’s time to book your flights to the UK. We strongly advise that you book your flight to Manchester Airport as it is the closest airport to Sheffield. It is important that you arrive in Sheffield before the first day of term.

See page 9 for details of a free coach transfer from Manchester Airport to Sheffield.

4. Fill out a pre-arrival form
Please download and complete the arrival form included at the back of this guide. Once you send your arrival details, you will be allocated a registration slot.

5. Register for health services
Before you leave your home country it is important that you register for the University Health Service so that you can receive medical treatment if you become ill. Further details will be sent to you before you arrive in the UK.

6. Check you are insured
In our experience, it is essential that international students have the protection of personal insurance for the duration of their time in the UK. When you applied to the International College, you will have had the option of taking StudyCare Plus insurance cover. This policy will cover you for loss of personal possessions, travel delay, as well as providing medical insurance until the end of your International Study Centre academic programme. You can purchase StudyCare Insurance Plus as part of the application process. If you prefer, you may take out insurance cover with another provider.

For full information on StudyCare Insurance Plus, visit: usic.sheffield.ac.uk/TB/test/student-insurance

- Confirmation of Acceptance for Study visa (CAS)
- Offer letter
- Academic qualification certificates
- Sponsor letter (if you are being sponsored)
- Four passport-sized photographs
- Essential toiletries and medications (please check with your airline what’s permitted)

A copy of your Arrivals/ Transfer Confirmation letter

Up to £150 (British Pounds Sterling) in cash. Please do not bring £50 notes.

The UK is famous for its changeable weather, so don’t forget to bring a warm jumper, perhaps a coat or jacket and an umbrella.

What to bring with you to the UK

You’ll need to pack some important items, such as your passport and visa, in your hand luggage for easy access, while other non-essential items can be packed away in your suitcase.

Things to pack in your suitcase
Sheffield is a large city with a variety of shops so you’ll be able to buy everything you need to live comfortably.

Many of the personal items you wish to bring with you, such as clothes, accessories and books can go in your suitcase.

We recommend that you bring:
- Clothes – the International College has an informal dress code. You can bring comfortable clothing such as trainers, jeans, t-shirts, jumpers and a warm coat.
- Study supplies e.g. pens and paper notebooks – these may be less expensive in your country.
- Laptop computer and charger – you can set English as the main language choice. This will help you to improve your English and assist you with everyday aspects of your life in the UK.
- Mobile phone and charger.
- Travel adapter plug – 240v with a three-pin plug (like the one pictured to the right).

Top Tip!
Check with your airline which items (specifically food and liquids) you can bring on the flight with you and the maximum hand luggage size allowed.

Calling from the UK? Once you’re in the UK and calling from a UK phone, you don’t need to include the ‘+44’ just replace it with an ‘0’. For example, a number that internationally is +44 114 2157123 becomes 0114 2157123
Arriving in the UK

Travelling to a new country can be a little overwhelming. To make it easier for you, we've outlined the process below so that you know exactly what to expect when you arrive.

**Border control**
When you reach border control, please enter through the Non-EU entrance. Please be prepared for an immigration interview with UK Visas and Immigration (UKVI) staff. You must be able to answer some questions in English and have a basic conversation without the assistance of an interpreter – failure to do so may result in you being denied access to the UK, at which point you will have to return home. Please note that the UK border control can be very busy so you may have to wait in a queue to see an Immigration Officer. After collecting your luggage and making your way through customs, you will reach the arrivals hall. You will have to return home.

**Welcome to the UK!**
If you choose to arrive outside of the recommended arrival dates, you will need to take one of the following options:

*Pre-booked taxi pick-up*
If you have arranged and paid for a taxi, you will be greeted by the taxi driver in the arrivals hall. The driver will be holding a sign with your name and the University of Sheffield International College. The driver will take you to your taxi and drive you to your accommodation. If you have any problems finding the driver, please call the International College emergency phone number (see contact details on page 3) and a friendly member of staff will be able to help you. If your call is not answered immediately, please leave a message, including your name and phone number, and we will call you back as soon as possible. Please do not take a private taxi before you have spoken to someone on the College emergency number.

**Train**
You can get a direct train from Manchester Airport, just follow the signs to the train station and purchase your ticket before getting onto the train. Trains to Sheffield are frequent and the journey takes around 90 minutes. Once you arrive at Sheffield train station, you can get a taxi to your accommodation. You will need cash to pay for your taxi.

**Getting to Sheffield from Manchester Airport**
We recommend that you fly to Manchester Airport because it is the closest airport to Sheffield and we will be there to meet you.

**Top Tip!**
Make sure you have original copies of all your documents on paper, not in digital formats on smart phones, tablets or other electronic devices. Keep them in your hand luggage in case you need to show them at the UK border.

Before you leave your home country, you must submit your flight details to us. Please complete the Arrival form which is included in this guide.

**Arriving at Manchester Airport**
Free airport transfer service
If you arrive at Manchester Airport during arrivals weekend, you may be able to take advantage of our free airport transfer service. Our friendly International College staff will meet you in the arrivals hall (at terminals 1, 2 or 3). They will be wearing blue t-shirts so you will be able to recognise them easily. Together you will make your way to our Hospitality Desk, which is located next to the coach station. The hospitality area is managed by Sheffield staff and students. You will be offered complimentary light refreshments while you wait to board the next coach. This is the ideal opportunity for you to speak to International College staff and ex-students who will be on hand to welcome and help you.

The free coach transfer service will take you, as well as any parents and/or guardians accompanying you, from the airport to your accommodation at St. Vincent’s Place. Please note that parents/guardians cannot be accommodated in the University residence and should find appropriate alternative accommodation before arrival in the UK.

Complimentary SIM cards will be issued to students using our coach transfer service. For information about call charges, and how to top-up online, please visit GiffGaff.com

Getting to Sheffield from other airports

We strongly recommend that you choose a flight which lands in Manchester. This is always possible, even if it means that you need to take a connecting flight in cities such as Dubai, Amsterdam or Zürich. Living in the UK

Life in Britain will be different from what you are used to and we’re sure you’ll have many questions. We’ve compiled a list of the top three most frequently asked below, together with our answers.

Q: What’s it like to live in the UK?
A: Britain is home to residents from around the world, giving it a vibrant, cosmopolitan feel. You’ll soon be able to adapt to a whole variety of situations, from understanding British etiquette and slang to cooking your own food and going out with your new friends.

Q: How will I meet people and make friends?
A: It won’t take you long to make friends, but whilst you settle in, we will organise events designed to help you meet your classmates and build new friendships. There are also many societies you can join to meet people with similar interests to you.

Q: Will I be able to find food from my home country?
A: The UK is a multicultural country and you will find local shops will sell most things you will need. If you can’t find what you’re looking for locally, some of the larger supermarkets stock a wider range of international products.
